SHOW RULES

1. Entries for classes must be made in accordance with the Daffodil Society regulations, as laid out in the Show Handbook, a copy of which is held by the Show Secretary.
2. An Amateur is one whose principal income is not obtained from the sale of daffodils.
3. A Novice is deemed to be a member of the Daffodil Society or of an Affiliated Society who has neither won more than three first prizes at any major daffodil show(s), nor has won a first prize in classes 1 to 12 of this schedule.
4. All flowers shown must belong to and have been grown by the exhibitor. Any prize obtained by contravening this rule will be forfeited.
5. The expression "in commerce" means being offered for sale in a retail price list in any country or countries not later than the July prior to the show. Exhibitors may be required to furnish evidence of eligibility of recent introductions.
6. Except where otherwise specified, collections calling for cultivars from a number of divisions shall not include blooms from Division 13, daffodils distinguished solely by botanical name.
7. No entries prior to the day of the show are required. On arriving at the show venue exhibitors should register with the show secretary before commencing staging. You will be given an exhibitor number and an "Instructions for Exhibitors" sheet. Entries on the day of the show are only required for certain classes, principally collection classes, and an entry form for these classes will be included with the instructions. This should be filled in and returned to the show secretary as soon as possible so that staging space can be correctly allocated.
8. Exhibitors may not stage more than one exhibit in a class, unless shown otherwise.
9. Society vases and Society staging must be used. Vases will be available in the designated areas at the times of staging.
10. Daffodil foliage only may be used but is not compulsory. Competitors are reminded that points may be deducted for poor staging and for exhibits having dirty or diseased foliage.
11. No artificial supports to flowers and stems are allowed. Any use of such items will be brought to the committee's attention and will result in disqualification.
12. Every exhibit must display an entry card, which is provided by the Show Secretary. Exhibitors are responsible for the placing of these cards and that the details thereon are correct. Any entry without an entry card may not be judged.
13. The Society will, by prior arrangement, stage blooms for members unable to attend the show.
14. The RHS International Daffodil Register and Classified List 2008 has been used throughout the schedule and the judges will abide by it in making their awards. Wherever the word 'division' occurs in the schedule, it refers to the corresponding division in the RHS publication. Flowers will be judged as classified.
15. Where classes require blooms to have yellow, orange, red or white petals, the petals must be predominantly, but not necessarily exclusively, that colour. In classes calling for all-yellow or all-white daffodils, it is permissible to exhibit blooms registered with G-green, W-white or Y-yellow in the base of the perianth and/or corona. (If in doubt, please consult with the Society's Show Handbook 2002).
16. The decision of the judges as to the relative merits of exhibits shall be final.
17. When an exhibit in a collection class is found to be ineligible for that class, any **non-offending** bloom in that exhibit may still be considered for special awards.
18. Where appropriate, points will be awarded as follows: 4 for 1st, 2 for 2nd, and 1 for 3rd.
19. The F.E.Board Memorial Trophy may not be won by a competitor for more than three consecutive years. Any winner of the award in three consecutive years is debarred from entering class 5 for the following three years.
20. Any complaint or protest must be made in writing on the first day of the show and will be considered by the Committee.
21. All exhibits, personal property, etc. will be brought to the show at the risk of the exhibitor and the Committee will not be liable for loss or damage to the exhibitor's property due to any cause whatever.
22. An exhibitor who wins a cup or trophy and wishes to keep it at home for the year should make arrangements with the Show Secretary on the Saturday afternoon and must ensure that the cup or trophy is signed for in the location book held by the Show Secretary.
23. An exhibitor who takes a cup or trophy home is responsible for ensuring that it is cleaned and returned to the Show Secretary before the next show.
